Confirming your wedding

To confirm your wedding a deposit equal to 50% of the overall charges is required. This deposit is due within 60 days of the date noted on your wedding proposal. The balance of 50% is due 60 days prior to the set wedding date. The resort reserves the right to cancel any booking if the above is not observed. Please note all changes to your pre-booked wedding arrangements are subject to approval by the resort and may not be refundable.

30 days prior to the wedding date	100% of payment is retained

Symbolic Ceremonies

The Pavilions weddings are an act of commitment and trust between two people and carry symbolic value only. Legally binding ceremonies can be arranged with the prior coordination through your embassy or consulate. This is a lengthy process, and we recommend you plan ample time to organise it. Most couples hold their civil ceremony in their home country prior to their destination wedding.

Weather & Contingency Plan

Due to the tropical and sometimes unpredictable climate in Phuket, we will always suggest a contingency plan in case of adverse weather conditions. A decision on whether to avail of the agreed upon back up venue will be made in accordance with the client and subject to set up constraints.

Noise disturbance

Along with the intimate nature of our resort, we need to be considerate of other guests with relation to noise disturbance. All musical entertainment needs to cease by 10:00 pm. In case of any complaints from in-house guests, the resort reserves the right to adjust the music volume accordingly.
